

SourceAdvantage, a new concept in training and ongoing learning

SourceMedical is proud to introduce SourceAdvantage, a new concept in training promoting ongoing learning at substantially discounted prices. Reinforce your existing knowledge. Improve and expand how you use SourceMedical's solutions!

Our standard Implementation Training provides you with the basic skills to get started. SourceAdvantage takes you to the next level.

As you gain experience with SourceMedical's product features, you learn new ways to use them. By helping you to become a more effective user, SourceAdvantage can actually impact your ASC's cash flow, revenue management, and overall cost.

SourceAdvantage provides you savings of 25 to 50 percent on training. Enjoy flexible scheduling and learning tailored to your audience.

How does SourceAdvantage work? Enroll on SourceMedical's website for one of four subscription levels. Your quarterly subscription fee entitles you to points that you use for training.
